## Scholarship Application

**Description:** This annual \$500 scholarship was established to benefit graduating high school seniors who will attend an accredited school and major in a construction-related field. The scholarship winner must have applied for acceptance into a trade school curriculum within the home building industry or related fields. Scholarship funds will be released upon submission of an enrollment acceptance form.

**To apply:** Application must be completed and submitted along with two letters of recommendation. These can come from your industrial technology instructor(s), school counselor(s), or other person who influenced your decision to go into the building trade you have chosen.

**Due Date:** Application forms are due at the Lewis & Clark Home Builders Association by **Friday April 13, 2012.**
