2012 Home Show – April 14th & 15th

Our 7th Annual Home Show is scheduled for Saturday and Sunday, April 14th & 15th, at the Kiwanis 4-H Ice Center - 901 Whiting Drive in Yankton.

If you haven't received your sign-up packet yet, visit the website to print your Registration Form.

Deadline for registering is February 29, 2012. Payment and registration form must be received at that time to reserve your booth.

If you have any questions, please contact Steve Kirby at the Lewis & Clark HBA Office – 661-7215; or Gerald Rupiper, Committee Chair - 665-9728.

Tickets will be \$3 at the door with \$1 off for a canned good item.

This year we are opening a limited number of exhibit booths in the front of the building. These booths are for the display of products and services consistent with the Home Show theme, but not directly related to home building and improvement.

All applications for these booths can download a registration form from our website.

Let's all work together to make this year's Home Show the best yet!

*Don't forget to encourage your customers to "Visit you" at the Home Show!
This can be as simple as modifying Advertising to include a blurb about the Home Show or reminding your staff to talk to customers about it! Doing so only benefits us all!*

Annual Membership Social

2012's Annual Social was held January 14th at Minerva's in Yankton. Social hour started at 6:00pm with a dinner of Montreal Pork Loin and a Triple Layer Cake dessert being served at 7:00.

Following dinner, the Announcement and Induction of the 2012 Lewis & Clark Home Builders Officers was done by Dennis Arnold, current President of the South Dakota Home Builders Association.

Awards were also presented to area members for their dedication and participation within the Home Building Industry.

This year's program ended with Rex Haven entertaining our members with his witty comedy.

Thank you to the Social Committee for putting this together and providing a great way for local members to network within the Home Building Industry.

Do you know an area business that would benefit from joining our Association?

Invite them to a monthly Social to expose them to what our Association is all about!

Board Meetings are held the first Tuesday of every month.

Feel free to join us!

Monthly Social Programs

Do you know of someone that has an interesting topic, service or product that would be both beneficial and interesting to area Members.

Lewis & Clark Home Builders Association is always interested in displaying our area's talents and exposing members to new and interesting products, or providing training for industry specific services.

If you know of someone that would be able to do a program like this, please contact Steve Kirby or a board member to let them know!

Not only should our monthly socials be a gathering for discussion on the Home Building Industry, but also a tool for our members to get exposure to new and interesting things! Let's make that possible together.
