State Voting Member: Tim Frohreich,
Marlin LaCroix

Habitat for Humanity Donation:

In conjunction with the 4th Annual Lewis & Clark Home Show, the Home Builders Association has donated \$750.00 to the Yankton County Chapter of the Habitat for Humanity. The Donation was made from the gate proceeds from the Home Show. The Lewis & Clark HBA would like to thank Habitat for Humanity for all the hard work and time that its members put in to help make Yankton and the surrounding area a better place to live.

Lewis & Clark Home Show:

The 2009 Home show had a great vendor turn out with over 70 booths. The crowd count was over 850, with people visiting from Nebraska, Iowa and South Dakota. Many of the vendors had positive comments and were very happy with the people who had visited their booths.

The Lewis and Clark Homebuilders would like to thank Steve Bogatz and the Home Show Committee for all their hard work on putting on this event. Also thanks go to the Yankton Ice Association for the use of the facilities and for the great concessions.

Wanted, Scholarship Applicants

Do you have a high school senior or know one who will be attending a post secondary program for a building trade? Your L&C Homebuilders association is committed to supporting our youth in their pursuit of the building trades. A \$500 scholarship is given to a graduating high school senior who has been accepted into an approved building trade program. This can be anything from HVAC to construction management. Scholarship applications are available at most high school guidance offices, or applicants can contact the Lewis and Clark HBA Office at 661-7215 or Jennifer Steele at CorTrust Bank, Vermillion 624-4461.
